Kenyon \$15 Men's Suits

When you seek economy ask your merchant to show you this \$15 Suit. Compare it with one that costs \$25, and see wherein lies the difference. It does not lie in the wearing qualities, surely not in the style and fit. The great difference is one of price, caused by more than one reason—made in the largest factories of their kind in the world.

Blue Lodges.

There will be no meetings of the lodges during the month of August, as the Building Association is planning to make extensive repairs.

Brother John Carter, a member of Widows' Son Lodge, died at Front Royal, Va., and the funeral services were held at the 19th Street Baptist Church on Sunday, June 25th, under the auspices of his lodge, escorted by Henderson Commandery, No. 2. The sermon was preached by Rev. Walter H. Brooks, assisted by others.

TUSKEGEE BOARD ELECTION.

Mr. Roosevelt, Frank Trumbull and C. E. Mason Named Trustees.

Trustees of the Tuskegee Normal and Industrial Institute, in Alabama, at a meeting yesterday in the rooms of the General Educational Board, added to the Board, as trustees, Theodore Roosevelt, Frank Trumbull, chairman of the Board of Directors of the Chesapeake and Ohio Railway, and Charles E. Mason, of Boston.

The motion to elect Mr. Roosevelt a trustee was made by W. W. Campbell, Alabama banker and vice-president of the Board. Mr. Roosevelt had signified his willingness to accept membership.

The Southern Pacific Company has pleaded guilty to eighteen indictments filed against it by the Federal Government and was fined \$18,000. The indictments charged violation of rate laws on matting from Japan.

The greatest elephant head ever brought to civilization has been added to the New York Zoological Park collection. The trunk is seven feet six inches long, and the tusks but four inches shorter.

Negro Exposition.

The defeat of the negro exposition resolution in the House of Representatives, because of its failure to receive two-thirds vote for calling it up under a suspension of rules, has not discouraged Congressman Rodenberg in the least. Mr. Rodenberg, who is chairman of the House Committee on Industrial Arts and Expositions, said that the votes in opposition to the resolution came entirely from the Democratic side of the House, and that the race has no particular reason to feel discouraged. He also stated that it is his purpose to bring out a bill at the December session of Congress providing for holding the exposition, and securing consideration on Calendar Wednesday, when only a majority vote will be necessary to pass it. He believed it would be an easy matter to get this majority in a Republican Congress.

If you treat your friends right you can always depend on them in the time of need. General U. S. Grant always knew his friends and could always depend on them.
